

NEW BEGINNING WORLD OUTREACH INC.

Statement Of Purpose

The main ingredients for any successful organization are direction and focus. We believe at New Beginning these are our two strongest points. First, direction comes from the only true God whom we have chosen to reflect with our actions. King David in Psalms 25:9 said it like this: ***He leads the humble in what is right, teaching them His way.*** So with that being a primary ingredient for this organization, we have been directed to share hope with those who seem to have lost hope. This doesn't always mean a person who is homeless. We believe help needs to come before they end up that way. So maintaining focus along with this divine direction, God has blessed us with this effective outreach which has many aspects.

Home Missions Department

This department is dear to my heart as founder because it allows me the opportunity to touch lives in just a moment and see the impact immediately. It is true this is not a long term solution for many of our recipients problems, but it truly is a start. This department involves the distribution of various items when we can obtain them. They include food, new clothing, furniture and building supplies. In 1999 we distributed over 1.3 million pounds of food to over 80 different food banks, civic groups and churches. The results have been overwhelming. The need in this department has far surpassed the supply.

World Missions Department

This department is an awesome responsibility. As

NEW BEGINNING WORLD OUTREACH INC.

founder, for many years now this mission of sharing the hope Jesus can bring to lives has taken me to many foreign mission fields. After sending food and clothing all over the world, God began to change the direction of our mission department. After much prayer, now we focus our attention only on the country of Jamaica. We have established a powerful relationship with a extremely active ministry there. In doing so, with God's help, this department has made a lasting long-term change on that area.

Victory Broadcasting Department

This department became active in 1993. Since that time we have been aware of God's special touch on this department. This department owns and operates Channel 25 Christian broadcasting 24 hours a day, 7 days a week which covers (at least) 4 counties in southwestern Virginia and southern West Virginia. The programs are also encoded broadcast simultaneously over the Internet. God has used this station to unite in fellowship over 40 Pastors and ministries from various backgrounds. This department has torn down many walls the enemy has built to divide God's people. This department has seen in one night over 350 calls for prayer. The awesome expense to cover such an outreach is met each month with the help of faithful local partners.

New Beginning Employment Opportunities Department

In the near future we will be offering a 4-week class with its focus not only on assisting those without jobs, but also helping those who are looking for a better job. Our goal is to provide them with the tools needed for this task. In doing so we know confidence can be built, knowing that one day Jesus is coming

NEW BEGINNING WORLD OUTREACH INC.

back after his church but until then we must have a job.

The Victory Through Jesus Weekly Broadcast Department

This broadcast has received an overwhelming response over the past few years. This program is aired 15 times a week on 3 radio stations. The radio programs are 28 min. long and are produced in our studio in Bishop, Virginia. The Victory Through Jesus TV Broadcast is a powerful 58-min program that is aired on over 18 TV stations in 5 countries. This has allowed us an avenue to share the message of hope to the magnitude we had never thought possible. With these two special programs we have the opportunity to reach each week over 5 million homes. We know this is an awesome responsibility and it is not taken lightly.

New Beginning Christian Trade School

Our goal is to equip men and women with the proper tools and knowledge needed to meet the needs for this generation. This will include classes ranging from welding to computer application. In 1997 we purchased a building with this department in mind. We will have over 17,000 feet of floor space to use for this project. This is a great undertaking and would not be entered into without divine direction.

New Beginning School of Ministry

Guest instructors will be contracted to teach in areas of Christian living and Bible background to strengthen the foundation of everyday life. It is our prayer that the ministry classes will enrich, encourage, enlighten, and educate the believer in areas that will elevate them to the power zone of God's Word by applying the principles to present day.

**NEW BEGINNING
WORLD OUTREACH INC.**

New Beginning Internet Outreach

This is a powerful new opening for us to share the love of Jesus on the world wide web. In the summer of 1997 with the faithful help of friends we launched our ministry on the World-Wide Web. Since then thousands have responded and shared an interest in the message of Jesus Christ. Many have shared their testimony of how the site has touched their life and let them know there was hope . . . and Jesus was His name.

Back To Basics Program

In today's environment of video and various electronics, many of our youth have never truly enjoyed the feeling of accomplishment that is received through working with their hands. That is what this program is all about. We will be teaching youth from the age of 7 to 17 how to get back to basics by hands-on experience in a wide variety of areas such as carpentry, cooking, sewing and gardening. This will be a four week class taught on site in our Bishop VA headquarters.
